Consumer Protection Council to review Discrimination by Nursing Homes towards Weaker Sections

*495. SHRI KRISHAN LAL SHARMA : Will the Minister of CIVIL SUPPLIES, CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION be pleased to state :

(a) whether it is a fact that some posh Nurshing Homes even after availing of all concessional benefits from the Government, do not treat patients from weaker sections;

(b) whether these facts have been placed before the Consumer Protection Council; and

(c) if so, what decision has been taken in this regard ?

THE MINISTER OF CIVIL SUPPLIES CONSUMER AFFAIRS AND PUBLIC DISTRIBUTION (SHRI A. K. ANTONY):

(a) The functioning of private nursing homes which have availed themselves of all concessional benefits from the Government is to be monitored by the State Governments concerned. It is the responsibility of the State Governments to ensure that patients from weaker sections are provided with all facilities which are agreed to by the private nursing homes while getting concessional benefits from the Government like allotment of land at concessional rates availing customs duties relief on importing costly medical equipment, etc..

(b) and (c) The above matter, inter-alia, was discussed in the 15th meeting of the Central Consumer Protection Council. On the basis of recommendations made by the Council, a working group has been constituted to prepare a report on Citizen's Charter for Health and Civic Services.
